

Guadalupe Groundwater Conservation District

Water Well Registration Form

Registering a well on your property is a *free* process required by the State of Texas (*Chapter 36, Texas Water Code*). If you are not certain if your well has been properly registered, or if you are the new owner of a property with an EXISTING well, submit this free registration form or contact us, we're happy to help! This form is NOT a well application form. Application forms can be found on our website, www.gcgcd.org. For [Applications](#): Click our "ABOUT" tab, then click "FORMS/APPLICATIONS"
